

# Islands Designer Houses

## How to install ?

A] ADDON [ymap file]

Installation for instal (OPEN IV needed for this)

copy and paste folder "custom maps"

to: mods>update>x64>dlcpacks

Finally add "dlcpacks: custom maps " in dlclist.xml using OpenIV

to: mods update.rpf common data

Or,

A] when you already have your custom maps folder then go to:

mods>update>x64>dlcpacks>custom maps>dlc.rpf>x64>

levels>gta5>citye>maps>custom maps.rpf

and add the file :

Island designer house.ymap

island designer mansion.ymap

island designer apartment.ymap

Required Program :

Download and install:  
ScriptHook,  
ScriptHook V.NET  
and OpenIV  
and MENYOO
